

Manalapan Recreation

Presents

Mad Science Summer Camps

Exciting activities and spectacular demonstrations to capture the children's attention
Each day, the children will receive a **take home experiment and project sheet** to reinforce the camp's topic
Our instructors are **energetic, enthusiastic, and experienced!!!**

Space: Infinity & Beyond

Week of 8/12/13

9:00 AM-12:00 PM

Due to the popularity of the original space camp we have developed a new more advanced Space program. In this program we will investigate unique flying machines, including building balloon-copters, boomerangs and a mini hovercraft as take home projects for the children. After the flying machines children will investigate how early "pilots" navigated, including building their own sextant and sundial. Finally the children will put all the learned skills together to build an intermediate level Estes™ Skywinder rocket. If your child enjoyed our first space camp, or are Astro"nuts" in general the will love this new space program.

Survival: Predators & Prey

Week of 8/19/13

9:00 AM -12:00 PM

Predator or Prey; which will you be? In our newly revamped Nature camp, kids will learn how animals, big and small, adapt to life here on earth. Campers will learn how birds and beasts catch their prey without becoming someone else's lunch and will then be challenged to survive in the pulse pounding "Food Chain Survival" game. Kids will also discover what Mr. Owl had on his dinner plate during the famous owl pellet dissection. We'll also have fun finding and magnifying Nature's smaller critters—from insects to pond slime. Campers will build a real birdhouse to take home and will have creepy-crawly fun building a bughouse and searching for tenants! In addition, kids will enjoy hands-on fun learning how changes in wind, water and temperature can affect Earth's inhabitants.

Please visit www.madsciencenj.com to learn more about these camps!

Both camps are held at the Manalapan Recreation Center Kuschick Pavilion.

Open to resident children finishing grades K-4 as of June 2013

Fee is \$130 per child, per camp. A minimum of 12 participants is required.
