

Manalapan Parks and Recreation presents:

Miss Melissa's Music for Aardvarks

An original music program for parents and their little ones, ages 6 months to 6 years old. Sing, dance and jam to original contemporary music for your urban-suburban hip tot! Each 45 minute class is packed with tools to encourage their early musical development such as shakers, scarves, bells, parachutes, balls and drums. As we sing, dance and rock, parents play a huge part in their tots class experience and growth. Role modeling and participation are just a few ways to bond and help them grow musically and socially. A "music for aardvarks" CD is provided as a part of each registered program. Miss Melissa and her guitar lead us into this new generation of children's music programs!
